Call to Order 6:36

12 people present

1. Board Reports

PR-Need info for February newsletter by Wednesday

Treasurer- waiting for final numbers, but we received \$65.00 in tips. This was the last Culvers night of the year

VP still needed

2. Daddy/Daughter dance-Katie Elwood

Katie has organized, through Community Education, a Father/Daughter dance to be held on April 23, with a cost of \$25/couple, with one professional photo included in the ticket. The dance is open to Pre-K through 5th grade girls. Community Ed will not allow info to be sent out in Thursday folders. Katie left posters for us to distribute around the school, and asked that WRPG help to promote the event through our newsletters and Facebook.

3. Read-A-Thon

The theme of this years Read-A-Thon is "For the Love of Reading" and will run from Febuary 1-12. New this year, will be a family reading night on February 9. Jodi Olson is looking for volunteers to help with decorating the atrium for the Read-A-Thon.

4. Prairie Fire

Auditions for The Wizard of Oz were held this afternoon. 75 children in grades 3-5 were cast in the show, as well as several students who will serve as technicians for lighting/sound/moving of set. Performance will be Friday, January 30 at 7pm

5. Music and Art Show, April 15

Organization of the Music and Art Show will be more committee based this year, as to make this overwhelming, highly attended event, a little more manageable by breaking into smaller pieces. New this year will be to have the class projects be raffled off rather than be a part of the silent auction.

6. Family Dance Night

A family dance event will be held on Friday, February 19 7:30-9. Students have just finished a dance unit in Phy Ed, so this will be a perfect way to show off the skills learned in this unit!
